TECHNICAL DRAWINGS

FOLIO

FOLIO is more than just a washbasin. It is a composition—the perfect fusion of form, function, and material. FOLIO doesn't merely integrate into a space; it redefines it.

Its clear geometry, minimal radii, and flat surfaces are the result of high-precision craftsmanship. A 3 mm-thin cover made of glazed steel folds precisely around the washbasin—enveloping it like a delicate sheet—telling a story of artisanal precision and intelligent design with every touch.

In FOLIO, storage is not an afterthought but an integral part of the concept—subtle, elegant, and exact. The matching FOLIO tall cabinet continues the same design language, expanding the functional space without adding visual noise—making it ideal for architecturally sophisticated bathroom solutions.
